

MEDIA PACK 2025

WELCOME MESSAGE

WELCOME MESSAGE

Established in 2010, A1 Lighting magazine is a recognised B2B publication focusing on all sectors of the lighting industry. A1 Lighting brings you the latest industry news, inspiring projects, comments from leading voices in lighting, as well as an extensive coverage of trade events, exhibitions and awards.

Published as a hard copy magazine by trade subscription, A1 Lighting hits the desks of the key industry professionals interested in specifying lighting.

The magazine is also read across the globe via our digital edition, successful website and social media channels which are also updated daily with the latest industry news.

Don't just take our word for it, subscribe to the first place for news in your industry for FREE on the A1 Lighting website today, or scan the QR code below:

Licht Kunst Licht hits the right note

Licht Kunst Licht has developed an integrative and ambient lighting concept for Koblenz Academy Foundation to enhance their office facility.

The building's design is a masterpiece of modern architecture, featuring a curved facade and a large glass entrance. The lighting design is a key element of the building's identity, creating a warm and inviting atmosphere.

Project Lead: Licht Kunst Licht, Koblenz, Germany
Client: Koblenz Academy Foundation, Koblenz, Germany
Architect: Gert and Sonja Gert, Koblenz, Germany
Interior Design: Gert and Sonja Gert, Koblenz, Germany
Lighting Design: Licht Kunst Licht, Koblenz, Germany

SOLAR-POWERED LIGHTING

Healthcare Lighting under the microscope

Healthcare lighting is a critical component of patient care and safety. It must provide adequate illumination for medical procedures while also being comfortable for patients and staff.

At Hologra, our sustainability initiative, Earthlight, has driven us to seek various ways to contribute to this crucial effort. As a result, we have invested in solar-powered lighting, creating a luminance powered by 100 percent renewable energy.

Anna Verma, Director of Product & Market Development at Hologra Systems

Healthcare lighting is a complex and multi-faceted industry. It requires a deep understanding of the needs of different stakeholders, from patients and staff to healthcare providers and facility managers.

At Hologra, we are committed to providing high-quality, sustainable lighting solutions for the healthcare industry. Our solar-powered lighting technology is a game-changer, offering a clean and efficient way to power healthcare facilities.

OPINION

ERCO

The ability of light to create inclusive spaces

Erco Lighting, Managing Director of ERCO Lighting UK & Ireland explains how lighting can help create more inclusive spaces.

Lighting is a powerful tool for creating inclusive spaces. It can help to create a warm and inviting atmosphere, making people feel more comfortable and welcome.

At ERCO, we are committed to providing high-quality lighting solutions that create inclusive spaces. Our lighting designs are focused on creating a sense of community and belonging.
